The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to these Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

OVERLAND LETTERS AND POSTAGE.

It is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment; or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignments and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit, to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates percent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to Insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to Insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will. 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to these Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR

MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto.....	Madras.
Ditto.....	Bombay.
Per Spanish Dollar Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium,* Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 18 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 8 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,**

THE 6TH SEPTEMBER, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 6th of September 1841, is hereby promulgated for general information.

ACT No. XIX. of 1841.

Act for the protection of moveable and immoveable property against wrongful possession in cases of successions.

I. Whereas much inconvenience has been experienced, where persons have died possessed of moveable and immoveable property, and the same has been taken upon pretended claims of right by gift or succession; the difficulty of ascertaining the precise nature of the moveable property in such cases, the opportunities for misappropriating such property and also the profits of real property, the delays of a regular suit when vexatiously protracted, and the inability of heirs when out of possession to prosecute their rights, affording strong temptations for the employment of force or fraud in order to obtain possession. And whereas, from the above causes, the circumstance of actual possession, when taken upon a succession, does not afford an indication of rightful title equal to that of a decision by a Judge after hearing all parties in a summary suit, though such summary suit may not be sufficient to prevent a party removed from possession thereby from instituting a regular suit. And whereas such summary suit, though it will take away many of the temptations which exist for assuming wrongful possession upon a succession will be too tardy a remedy for obviating them all, especially as regards moveable property. And whereas it may be expedient, prior to the determination of the summary suit, to appoint a Curator to take charge of property upon a succession, where there is reason to apprehend danger of misappropriation, waste or neglect, and where such appointment will, in the opinion of the authority making the same, be beneficial under all the circumstances of the case. And whereas it will be very inconvenient to interfere with successions to estates by the appointment of Curators, or by summary suits, unless satisfactory grounds for such proceedings shall appear, and unless such proceedings shall be required by or on the behalf of parties giving satisfactory proof that they are likely to be materially prejudiced if left to the ordinary remedy of a regular suit;—

It is hereby enacted, that whenever a person dies leaving property, moveable or immoveable, it shall be lawful for any person claiming a right by succession thereto, or to any portion thereof, to make application to the Judge of the Court of the District where any part of the property is found or situate for relief, either after actual possession has been taken by another person, or when forcible means of seizing possession are apprehended.

II. And it is hereby enacted, that it shall be lawful for any agent, relative, or near friend, or for the Court of Wards in cases within their cognizance, in the event of any minor, disqualified, or absent person being entitled by succession to such property as aforesaid, to make the like application for relief.

III. And it is hereby enacted, that the Judge to whom such application shall be made shall, in the first place enquire by the solemn declaration of the complainant, and by witnesses and documents at his discretion, whether there be strong reasons for believing that the party in possession or taking forcible means for seizing possession has no lawful title, and that the applicant, or the person on whose behalf he applies is really entitled, and is likely to be materially prejudiced if left to the ordinary remedy of a regular suit, and that the application is made bonâ fide.

IV. And it is hereby enacted, that in case the Judge shall be satisfied of the existence of such strong ground of belief but not otherwise, he shall cite the party complained of, and give notice of vacant or disturbed possession by publication, and after the expiration of reasonable time shall determine summarily the right to possession (subject to regular suit as hereinafter mentioned) and shall deliver possession accordingly—provided always that the Judge shall have the power to appoint an officer who shall take an inventory of effects, and seal or otherwise secure the same, upon being applied to for the purpose, without delay, whether he shall have concluded the enquiry necessary for citing the party complained of or not.

V. And it is hereby enacted, that in case it shall further appear upon such application and examination

as aforesaid that danger is to be apprehended of the misappropriation or waste of the property before the summary suit can be determined, and that the delay in obtaining security from the party in possession, or the insufficiency thereof is likely to expose the party out of possession to considerable risk, provided he be the lawful owner; it shall be lawful for the Judge to appoint one or more Curators with the powers hereinafter next mentioned, whose authority shall continue according to the terms of his or their respective appointments, and in no case beyond the determination of the summary suit and the confirmation or delivery of possession in consequence thereof. Provided always that, in the case of land, the Judge may delegate to the Collector or to his officer the powers of a Curator, and also that every appointment of a Curator in respect of any property be duly published.

VI. And it is hereby enacted, that the Judge shall have power to authorize such Curator, either to take possession of the property generally, or until security be given by the party in possession, or until inventories of the property shall have been made, or for any other purpose necessary for securing the property from misappropriation or waste by the party in possession. Provided always, that it shall be entirely discretionary with the Judge, whether he shall allow the party in possession to continue in such possession, on giving security, or not, and any continuance in possession shall be subject to such orders as the Judge may issue touching inventories, or the securing of deeds or other effects.

VII. And it is hereby enacted, that the Judge shall exact from the Curator security for the faithful discharge of his trust, and for rendering satisfactory accounts of the same as hereinafter mentioned, and may authorize him to receive out of the property such remuneration as shall appear reasonable, but in no case exceeding 5 per centum on the personal property and on the annual profits of the real property. All surplus monies realized by the Curator shall be paid into Court, and invested in public Securities for the benefit of the persons entitled thereto upon adjudication of the summary suit. Provided always, that although security shall be required from the Curator with all reasonable despatch, and, where it is practicable, shall be taken generally to answer all cases for which the person may be afterwards appointed Curator, yet no delay in the taking of security shall prevent the Judge from immediately investing the Curator with the powers of his office.

VIII. And it is hereby enacted, that, where the estate of the deceased person shall consist wholly or in part of land paying revenue to Government, in all matters regarding the propriety of citing the party in possession, of appointing a Curator, and of nominating individuals to that appointment, the Judge shall demand a report from the Collector, and the Collector is hereby required to furnish the same. In cases of urgency the Judge may proceed, in the first instance, without such report, and he shall not be obliged to act in conformity thereto, but, in case of his acting otherwise than according to such report, he shall immediately forward a statement of his reasons to the Court of Sudder Dewany Adawlut, and the Court of Sudder Dewany Adawlut, if they shall be dissatisfied with such reasons, shall direct the Judge to proceed conformably to the report of the Collector.

IX. And it is hereby enacted, that the Curator shall be subject to all orders of the Judge regarding the institution or the defence of suits, and that all suits may be instituted or defended in the name of the Curator on behalf of the estate. Provided that an express authority shall be requisite in the sunnud of the Curator's appointment for the collection of debts or rents; but such express authority shall enable the Curator to give a full acquittance for any sums of money received by virtue thereof.

X. And it is hereby enacted, that pending the custody of the property by the Curator, it shall be lawful for the Judge to make such allowances to parties having a *prima facie* right thereto as upon a summary investigation of the rights and circumstances of the parties interested, he shall consider that necessity may require, taking, at his discretion, security for the repayment thereof with interest, in case the party shall, upon the adjudication of the summary suit, appear not to be entitled thereto.

XI. And it is hereby enacted, that the Curator shall file monthly accounts in abstract, and at the period of every three months, if his administration last so long, and upon giving up the possession of the property file a detailed account of his administration to the satisfaction of the Judge.

XII. And it is hereby enacted, that the accounts of any such Curator as is above described shall be open to the inspection of all parties interested; and it shall be competent for any such interested party to appoint a separate person to keep a duplicate account of all receipts and payments by such Curator. And if it be found that the accounts of any such Curator are in arrear, or if they shall be erroneous or incomplete, or if the Curator shall not produce them whenever he shall be ordered to do so by the Judge, he shall be liable to a fine not exceeding one thousand Rupees for every such default.

XIII. And it is hereby enacted, that after the Judge of any district shall have appointed any Curator, such appointment shall preclude the Judge of any other district within the same Presidency from appointing any other Curator, provided the first appointment be in respect of the whole of the property of the deceased. But if the appointment be only in respect of a portion of the property of the deceased, this shall not preclude the appointment within the same Presidency of another Curator in respect of the residue or any portion thereof; provided always that no Judge shall appoint a Curator or entertain a summary suit in respect of property which is the subject of a summary suit previously instituted under this Act before another Judge—and provided further, that if two or more Curators be appointed by different Judges for several parts of an estate, it shall be lawful for the Sudder Dewany Adawlut to make such order as it shall think fit for the appointment of one Curator of the whole property.

XIV. And it is hereby provided, that this Act shall not be put in force, unless the aforesaid application to the Judge be made within six months of the decease of the proprietor, whose property is claimed by right in succession.

XV. And it is hereby enacted, that this Act shall not be put in force to contravene any public act of Settlement. Neither in cases in which the deceased proprietor shall have given legal directions for the possession of his property after his decease in the event of minority or otherwise, in opposition to such directions, but, in every such case, so soon as the Judge having jurisdiction over the property of a deceased person, shall be satisfied of the existence of such directions, he shall give effect thereto.

XVI. And it is hereby provided, that this Act shall not be put in force, for the purpose of disturbing the possession of the Court of Wards of any Presidency; and in case a minor, or other disqualified person whose property shall be subject to the Court of Wards, shall be the party on whose behalf application is made under this Act, the Judge if he determines to cite the party in possession and also to appoint a Curator, shall invest the Court of Wards with the Curatorship of the estate pending the suit without taking such security as aforesaid, and in case the minor or other disqualified person shall, upon the adjudication of the summary suit appear to be entitled to the property, possession shall be delivered to the Court of Wards.

XVII. And it is hereby provided, that nothing in this Act contained shall be any impediment to the bringing of a regular suit either by the party whose application may have been rejected, before or after citing the party in possession, or by the party who may have been evicted from the possession under this Act.

XVIII. And it is hereby enacted, that the decision of the Judge upon the summary suit under this Act shall have no other effect than that of settling the actual possession; but that for this purpose it shall be final, not subject to any appeal or order for review.

XIX. And it is hereby enacted, that it shall be lawful for the Governments of the respective Presidencies to appoint public Curators for any district or number of districts. And the Judge having jurisdiction shall nominate such public Curator or Curators in all cases where the choice of a Curator is left discretionary with him under the preceding provisions of this Act.

XX. And it is hereby enacted, that whenever a person dies leaving moveable or immoveable property within the local limits of the jurisdiction of any of Her Majesty's Supreme Courts, and such Court shall be satisfied that danger is to be apprehended of the misappropriation and waste of the property before it can be ascertained who may be legally entitled to the succession to such property, it shall be lawful for the said Court to authorize and enjoin the Ecclesiastical Registrar, or one or more Curators to collect such effects and hold or deposit or invest the same in such manner and place and upon such security

and subject to such orders and directions as the Court may deem expedient.

Secy. to Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 6TH SEPTEMBER, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 6th of September 1841, is hereby promulgated for general information:

ACT No. XX. of 1841.

Act for facilitating the collection of debts on successions, and for the security of parties paying debts to the representatives of deceased persons.

I. Whereas it is expedient to provide greater security for persons paying to the Representatives of deceased Hindoos, Mahomedans, and others not usually designated as British Subjects, debts which are payable in respect of the estates of such deceased persons, and to facilitate the collection of such debts by removing all doubts as to the legal title to demand and receive the same:—

It is hereby enacted, that
No debt recoverable without a certificate. no debtor of any deceased person shall be compelled in any Court of Law to pay his debt to any person claiming to be

entitled to the effects of any deceased person or any part thereof, except on the production of a certificate to be obtained in manner hereinafter mentioned, or of a Probate or Letters of Administration, unless the Court shall be of opinion that payment of the debt is withheld from fraudulent or vexatious motives, and not from any reasonable doubt as to the party entitled.

II. And it is hereby enacted, that the Zillah or District Court within the jurisdiction of which any part of the property of the deceased may be found shall have authority to grant a certificate under this Act. The applicant in his petition shall set forth his title. The Judge shall issue notice of application, inviting claimants, and fixing a day for hearing the petition, and upon the appointed day, or as soon after as may be convenient shall determine the right to the certificate, and grant the same accordingly.

III. And it is hereby enacted, that the certificate of the District or Zillah Judge shall be conclusive of the representative title against all debtors to the deceased, and shall afford full indemnity to all debtors paying their debts to the person in whose favor the certificate has been granted.

IV. And it is hereby enacted, that the District or Zillah Judge may take such security as he shall think necessary from any person to whom he shall grant a certificate for rendering an account of debts received by him, and for indemnity of persons who may be entitled to the whole or any part of the monies received by virtue of such certificate, whose right to recover the same by regular suit against the holder of the certificate is not affected by this Act.

V. And it is hereby enacted, that the granting of such certificate may be suspended by an appeal to the Court of Sudder Dewanny Adawlut, which Court may declare the party to whom the certificate should be granted; or may direct such further proceedings for the investigation of the title as it shall think fit. The Court may also upon petition, after a certificate shall have been granted by the District or Zillah Judge, grant a fresh certificate in supersession of the certificate granted by the District or Zillah Judge, and such fresh certificate shall not affect any payments made to the person to whom any former certificate may have been granted without notice that the same has been superseded, but shall entitle the person named therein to receive all monies that may have been recovered under the first certificate from the person to whom the same may have been granted.

Local extent of power given by certificate. VI. And it is hereby enacted, that every certificate shall give authority to the person to whom the same is granted throughout the Presidency within which the same is granted, and no certificate subsequently granted in respect of the same property shall be valid or effectual, except as hereinafter mentioned.

Government Notes and Dividends. VII. And it is hereby enacted, that a person certified as aforesaid, may be empowered to receive interest on Government Notes and Dividends, or on Shares of any Bank or parts thereof, and to negotiate such Securities. He may be also empowered to receive a share of such interest or dividends or to negotiate a share of such Securities. But these powers shall only arise by express words in the certificate.

Payments under certificate void by reason of previous certificate. VIII. And it is hereby enacted, that where a certificate shall have been granted in cases in which such certificate would be valid, but for the previous grant of a certificate, all payments made to the person holding the later certificate in ignorance of the grant of the previous certificate shall be held good against claims under such previous certificate.

Certificate after previous grant of Probate or Letters void. IX. And it is hereby enacted, with regard to the property of deceased Hindoos, Mahometans and other persons not usually designated by the term British Subjects, that no certificate in respect of any such property shall be valid, if made after a Probate or Letters of Administration granted in respect of the same, provided assets belonging to the deceased were at the time of his death within the local jurisdiction of the Court granting the Probate or Letters of Administration.

Bond fide payments protected. X. And it is hereby provided, that where a certificate shall have been granted in cases in which such certificate would be valid, but for a Probate or Letters of Administration previously granted, all payments made to the person holding the certificate in ignorance of the previous granting of the Probate or Letters of Administration, shall be held good against claims under the Probate or Letters of Administration so previously granted.

Probate or Letters after previous grant of Certificate. XI. And it is hereby enacted, that no Probate or Letters of Administration shall be valid for the purpose of the recovery of debts or for the security of debtors, after a certificate granted in respect of the same property for which such Probate or Letters of Administration shall have been granted, provided assets belonging to the deceased were at the time of his death within the jurisdiction of the Court granting such certificate.

Bond fide payments protected. XII. And it is hereby provided, that where Probate or Letters of Administration may have been granted, in cases in which such Probate or Letters of Administration would be valid, but for the previous grant of a certificate, all payments made in ignorance of the previous grant of the certificate shall be held good against claims under such previous certificate.

XIII. And whereas under Act No. XIX. of 1841, Curators may be invested with certain powers which are conferred on persons obtaining certificates under this Act, and which belong to Executors and Administrators, it is hereby enacted that curators appointed under the said Act shall not exercise any powers which, but for that Act, would lawfully belong to such persons obtaining certificates, Executors or Administrators, where a certificate, Probate or Letters of Administration, has been actually obtained; but all persons who may have paid debts or rents to a Curator authorised by a Judge to receive the same shall be indemnified, and the Curator shall be responsible for the payment of the same to the person who has obtained a certificate, the Executor, or Administrator, as the case may be.

Effect of Probates and Letters granted to Representatives of Hindoos and others. XIV. And it is hereby declared and enacted, that all Probates and Letters of Administration granted by any of Her Majesty's Courts in cases in which any assets belonging to deceased persons were, at the time of their deaths, within the local jurisdiction of the Court granting the Probate or Letters of Administration, shall have the effect of Probate and Letters of Administration granted in respect of the property of British Subjects but for the purpose of the recovery of debts only, and the security of debtors paying the same; except so far as is in this Act provided.

XV. And it is hereby provided that nothing in this Act contained shall be held to extend to the property of any person usually designated as a British Subject.

Secy. to the Govt. of India.

II. And it is hereby enacted, that, in exercising the authority conferred by the above section, the Magistrate shall after holding such enquiry as may satisfy him of the necessity of proceeding under this Act, issue an injunction, which, if practicable, shall be served personally on the parties concerned; but if such service shall be impracticable or very inconvenient, the injunction shall be notified by oral proclamation and a written notice thereof shall be set up at such place or places as may be best adapted for conveying information to the parties concerned.
